Project Home Page

Project Search Page

A screenshot of the Project Search Page on the Bookshelf.init website. The browser's address bar shows the URL "http://recitation-12-team-005.eastus.cloudapp.azure.com:3000/search". The website has the same dark navigation bar as the home page. Below the navigation bar, the word "Search" is displayed in a large, bold, sans-serif font. Underneath, there are several search filters: a "File Name:" label followed by a text input field; a "Subject:" label followed by a dropdown menu currently showing "Arts & Sciences"; a "Tags:" label followed by three radio button options: "Lecture Notes", "Articles", and "Practice Tests"; and a "Sort By:" label followed by a dropdown menu currently showing "Recently Uploaded". A blue "Search" button is located below these filters. At the bottom of the page, the word "Results" is displayed in a bold, sans-serif font, and a small copyright notice "© BOOKSHELF.INIT" is visible to its right.
